Skills:

- Languages: Java, Python, JavaScript
- Web: HTML, CSS, ReactJS, NodeJS
- Databases: MySQL, MongoDB
- Tools/Platforms: Git, Android Studio, API Integration
- Operating Systems: Windows

Certificates:

- Internship Certificate** - Xcel Corp, Bangalore (*FarmEase Project*).
- Full Stack web development** – Apna college.
- Java and Python full stack** – Kodnest (ongoing).

Experience:

Intern | Xcel Corp, Bangalore [June 2024 – August 2024].

- Contributed to the development of the FarmEase Android application, designed to provide crop and disease information to farmers.
- Collaborated with the team to implement notifications and a language selection feature to enhance user experience.
- Gained hands-on experience in Java programming and Android development.

Projects:

Project Name: FarmEase - Crop Information and Disease Solution for Farmers.

Tech Stack: Java, Android Studio, XAMPP, Postman for API testing

- Description:** Developed a comprehensive mobile application to assist farmers by providing essential crop information, disease diagnostics and solutions. The app features crop details, disease reporting, complaint tracking, and agricultural news.

Project Name: Prescripto - Web-Based Healthcare & Prescription Management System.

Tech Stack: HTML, Tailwind CSS, JavaScript, React, Node.js, MongoDB.

Description: Built a responsive web application to manage digital prescriptions and streamline communication between doctors and patients. Implemented features like online appointment booking, medicine reminders, and patient history tracking. Ensured secure user authentication, real-time updates, and user-friendly interface.

Project Name: Tomato – Food Delivery App (Frontend).

Tech Stack: React.js, React Router, Axios, CSS, Toastify.

- Description:** Developed responsive UI for home, menu, cart, and login/signup pages. Used React Router for client-side navigation and Axios for API integration. Enhanced UX with toast notifications, form validation, and modern layout design.

Soft Skills:

- Optimistic and quick learner.
- Team Oriented.
- Enthusiastic to learn new skills.
- Adaptive and Growth-Focused
